Dear Dr. Odencrantz:

It is with great pleasure that I send this letter announcing that the American Academy of Environmental Engineers Certification Board has confirmed your certification by Eminence in the specialty of Site Remediation and welcome you into the Academy as a **Board-Certified Environmental Engineer**

As someone who the Academy considers eminent in the Environmental Engineering field, we hope you will use your new certification to encourage others to become Board Certified Environmental Engineering Members.

You have worked hard to earn the BCEE credential and are encouraged to use it in all your professional correspondence and publications. *(Note: the proper use of the credential is BCEE [without periods]).*

You will receive a .pdf certificate and you may also choose a professionally mounted Certificate for an additional fee. Also available are AAEES polo shirts.
